

**HATBORO MEMORIAL POOL**  
**SWIMMY DIAPERS & PLASTIC PANTS AGREEMENT**

Per the Hatboro Memorial Pool Rules and Regulations, children under 2 years of age are not required to have a paid pool membership to use the pool.

Any child who is not yet potty trained or who utilizes diapers is permitted to swim in the Hatboro Memorial Pool if proper protocols are followed.

Per Pennsylvania State and Montgomery County Health Codes, all children or persons wearing diapers MUST wear swimmy diapers with snug fitting plastic pants on top of the diaper.

These diapers can be purchased at the Hatboro Memorial Pool Facility or online. If you choose to purchase online and need assistance determining plastic pants that meet this protocol, staff is able to assist.

Children and adults are encouraged to use the rest room before entering the pool and periodically throughout their stay at the facility.

Any and all fecal incidents require the immediate closure of the pool facility. Depending on the severity of these incidents, the pool could remain closed for a longer period of time. The Hatboro Memorial Pool holds members responsible for the use of swimmy diapers and plastic swim pants.

Any children found not to be utilizing swimmy diapers and plastic swim pants when swimming will be removed from the pool and will not be permitted to re-enter until they comply with these regulations.

Swimmers with any illness must avoid using the Hatboro Memorial Pool at all times. These regulations are in place for the safety of our members and to maintain a cleanly facility.

By signing below, I, the undersigned, acknowledge the above rules and regulations and will assure my child is using diapers and plastic swim pants at all times when at the Hatboro Memorial Pool Facility.
