

RESOLUTION 2026-05
BOROUGH OF HATBORO
MONTGOMERY COUNTY, PENNSYLVANIA

A RESOLUTION OF THE BOROUGH OF HATBORO REQUESTING THAT THE PENNSYLVANIA STATE ASSOCIATION OF BOROUGHES (PSAB) FORMALLY SUPPORT AND ADVOCATE FOR THE ENACTMENT OF THE COMMUNITY CHOICE AGGREGATION (CCA) ACT.

WHEREAS, residential and small business customers across the Commonwealth continue to face high and rising electricity costs, including a 32% increase in electricity terminations from 2025 to 2026; and,

WHEREAS, Pennsylvania's current retail electricity choice framework has not provided equitable benefits to residential and small commercial customers; and,

WHEREAS, the proposed Community Choice Aggregation (CCA) Act would authorize municipalities to aggregate electric load on behalf of eligible residents and small businesses; and,

WHEREAS, municipalities acting as CCA Sponsors would be empowered to issue competitive RFPs to suppliers to secure lower electricity rates; and,

WHEREAS, the legislation authorizes CCAs to pursue clean, local renewable energy; and,

WHEREAS, the CCA Act establishes robust consumer protections including opt-out provisions and transparency requirements; and,

WHEREAS, the legislation maintains appropriate PUC oversight while exempting CCA Sponsors from unnecessary licensing burdens; and,

WHEREAS, Community Choice Aggregation programs in other states have achieved average residential savings of approximately 10%; and,

NOW, THEREFORE, BE IT RESOLVED that Hatboro Borough Council respectfully requests that the Pennsylvania State Association of Boroughs (PSAB) review, endorse, and advocate for the enactment of the Community Choice Aggregation Act.

BE IT FURTHER RESOLVED that this Resolution be transmitted to the PSAB Legislative Affairs Committee and the PSAB Board of Directors.

ADOPTED this 27th day of April, 2026.
