

MYHATBORO

MyHatboro

App
Experience

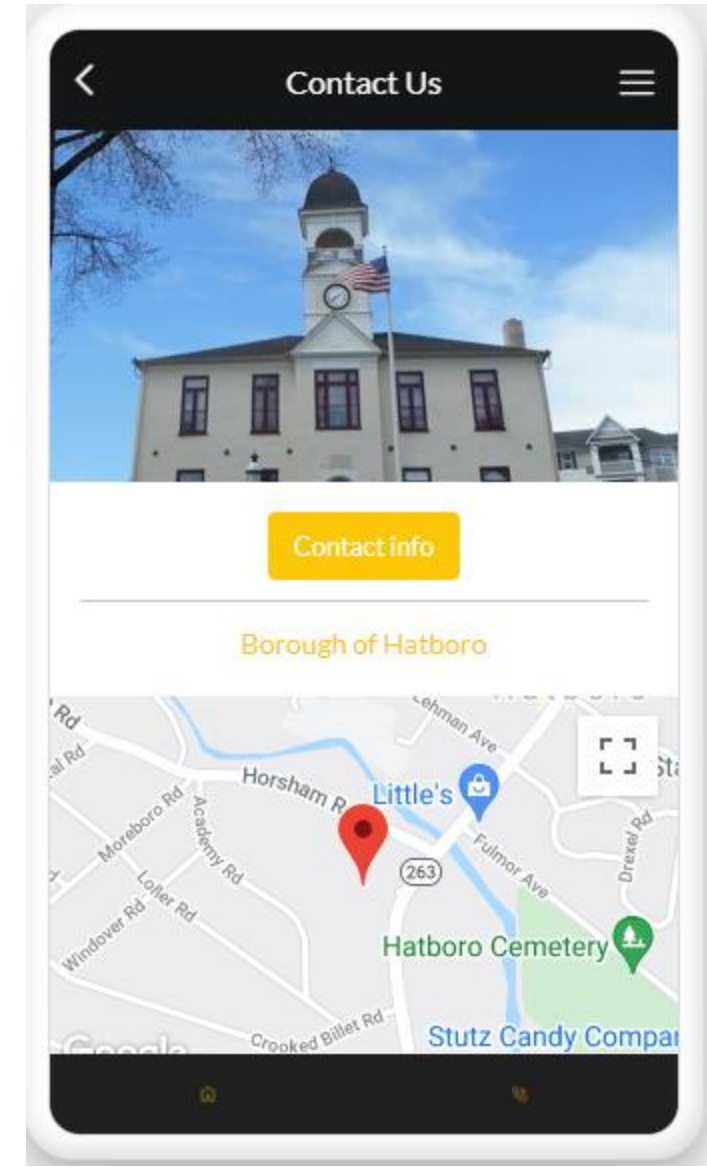

Current Features

- Contact Form For Every Department (except PD)
- Interactive Business Directory
- Events Calendar
- Trash Information
- Report a Pothole & Streetlight Out Feature
- Push Notifications

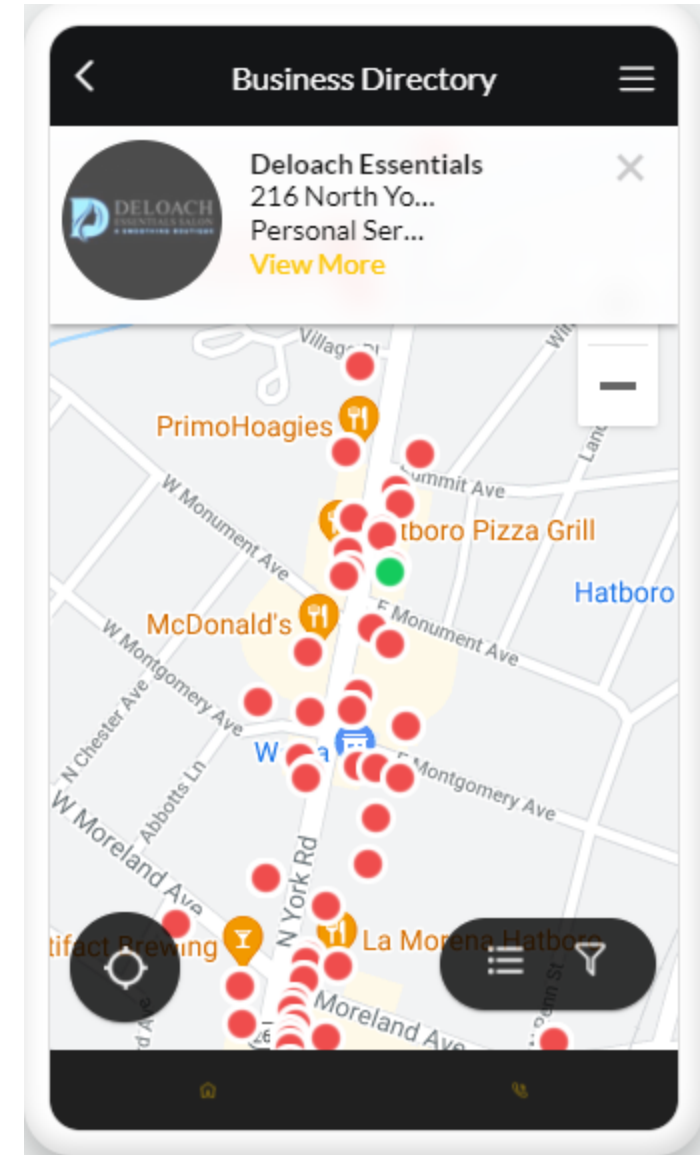

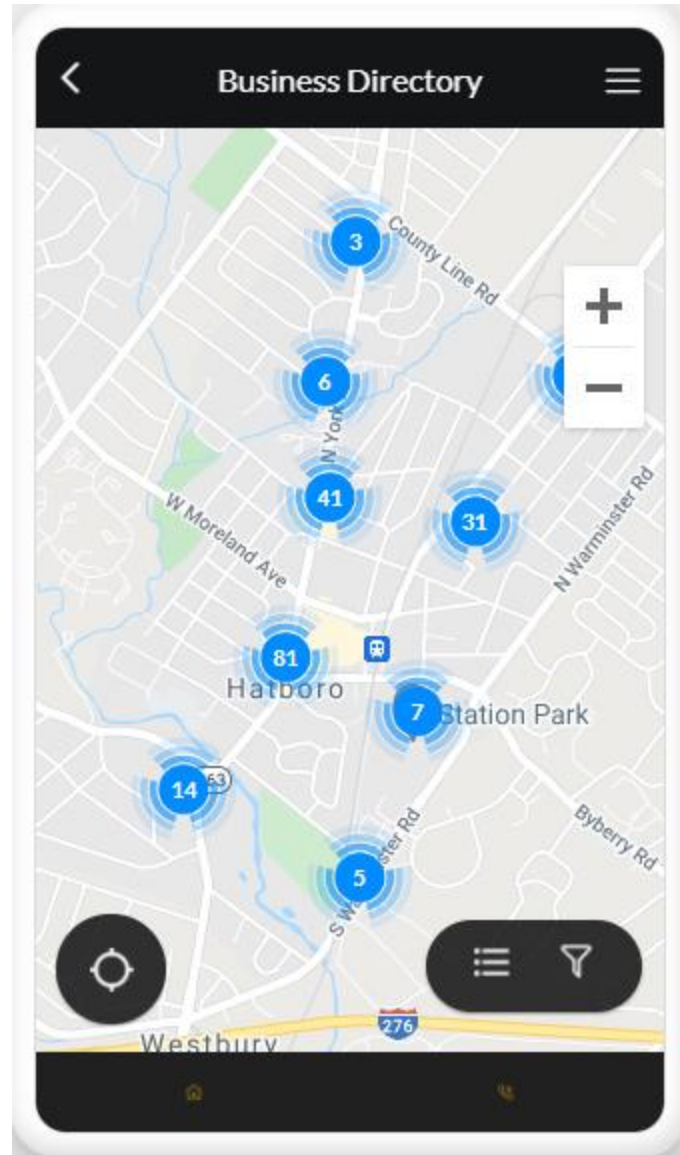

About Us

- About us section has information on the Borough (mission statement)
- Contact Information for Borough Hall is also included

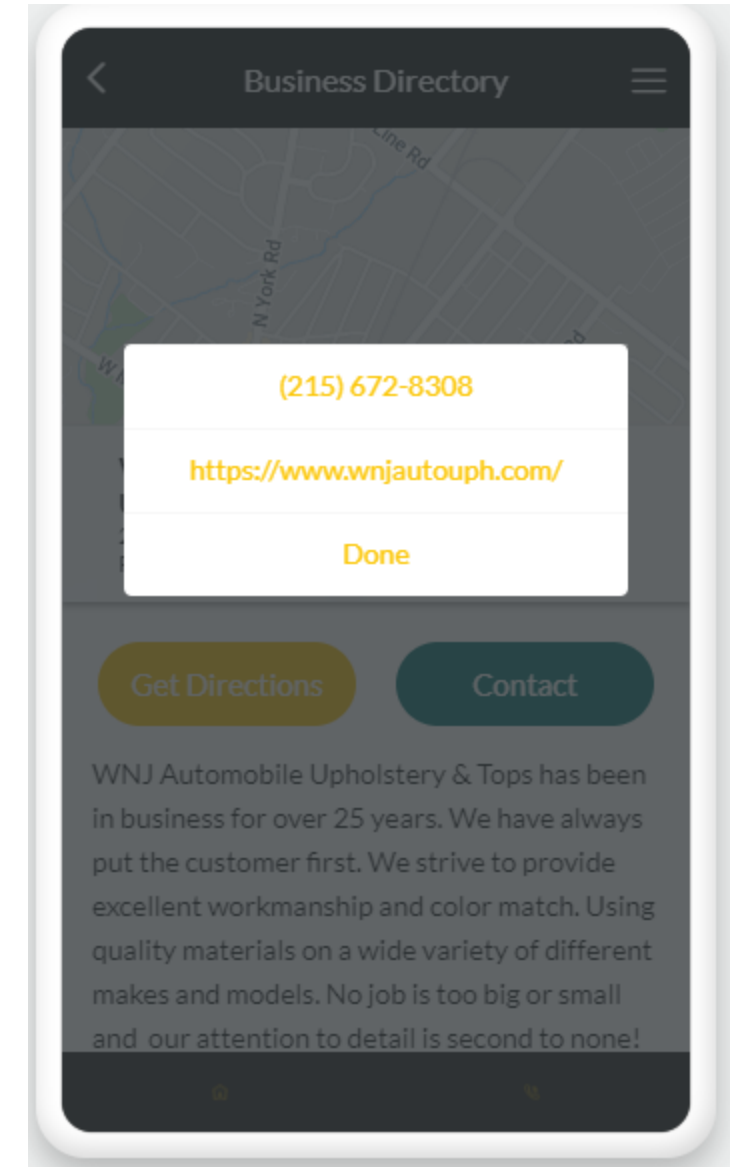

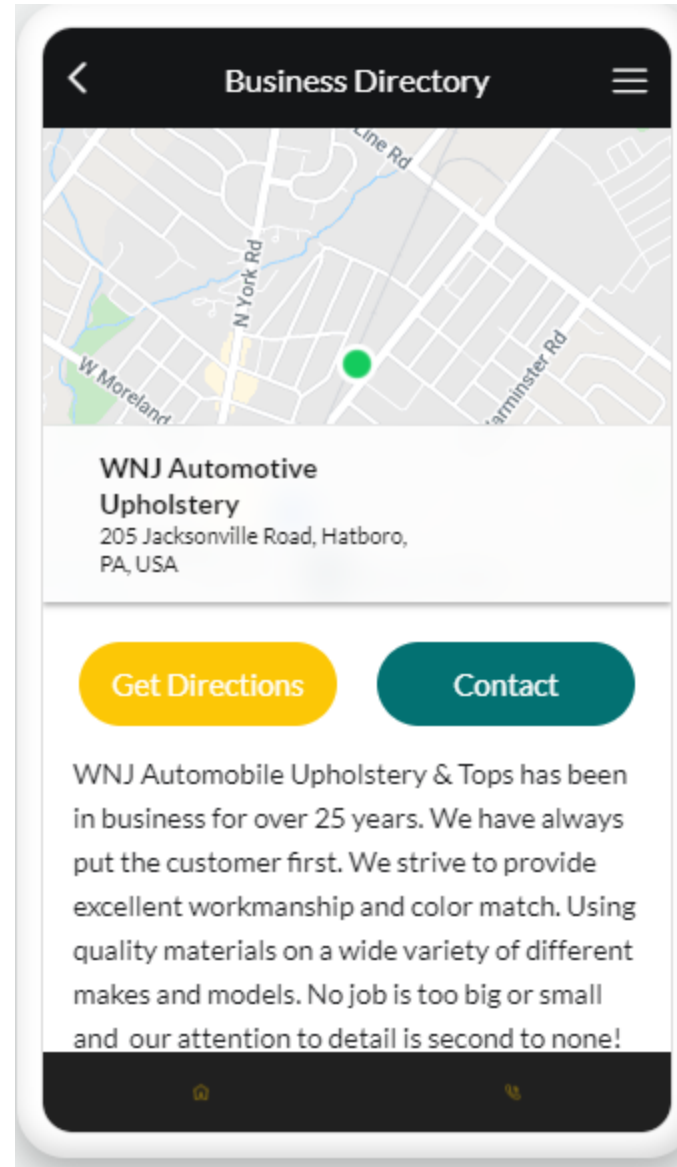

Business Directory

- Interactive map of all public businesses in Hatboro
- Each business has its own profile on the app that can be selected by tapping on the business's location OR by searching for the business.
- Businesses are broken down into categories (restaurant, bar/brewery, personal service, entertainment, medical/dental, etc).

Business Directory

- Businesses have their own profiles complete with business information, logos, etc.
- Websites and phone numbers can be easily accessed through each profile.
- This is also where coupons and specials will be held

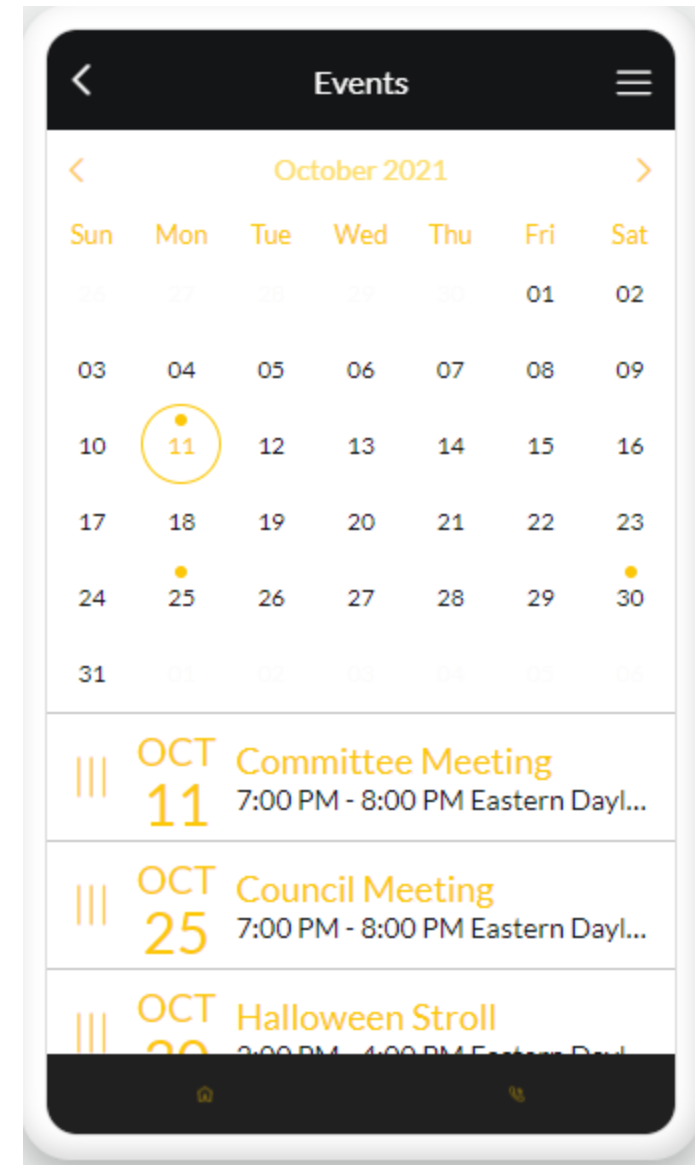

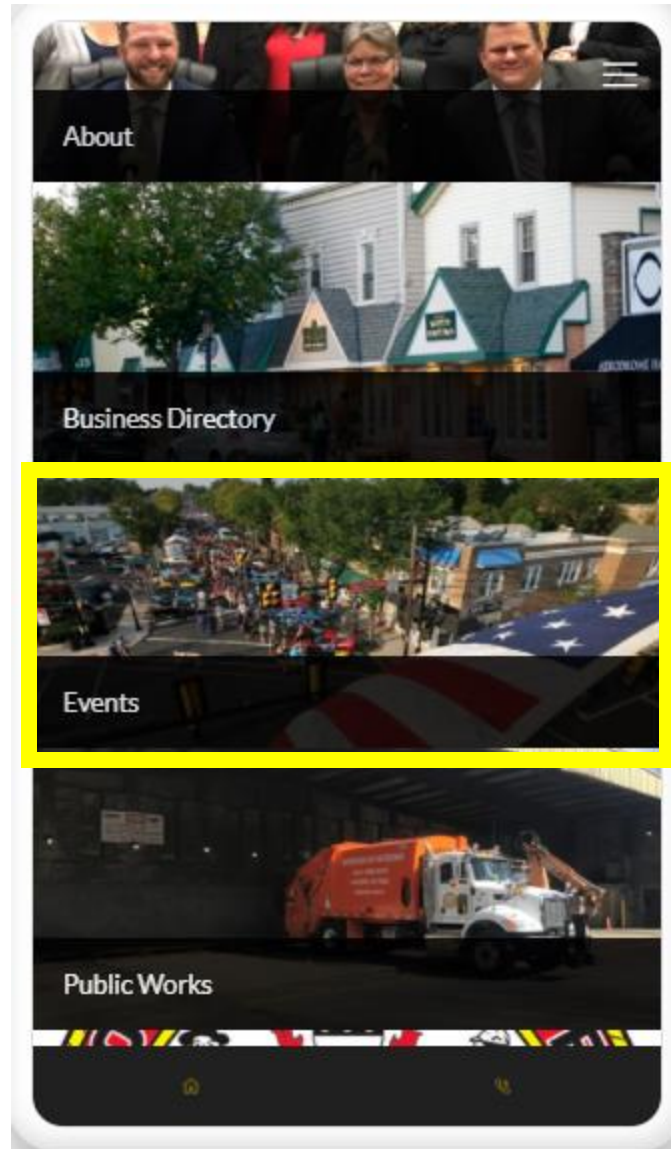

Business Directory

Businesses can also be shown in banner view for quick access when searching through categories

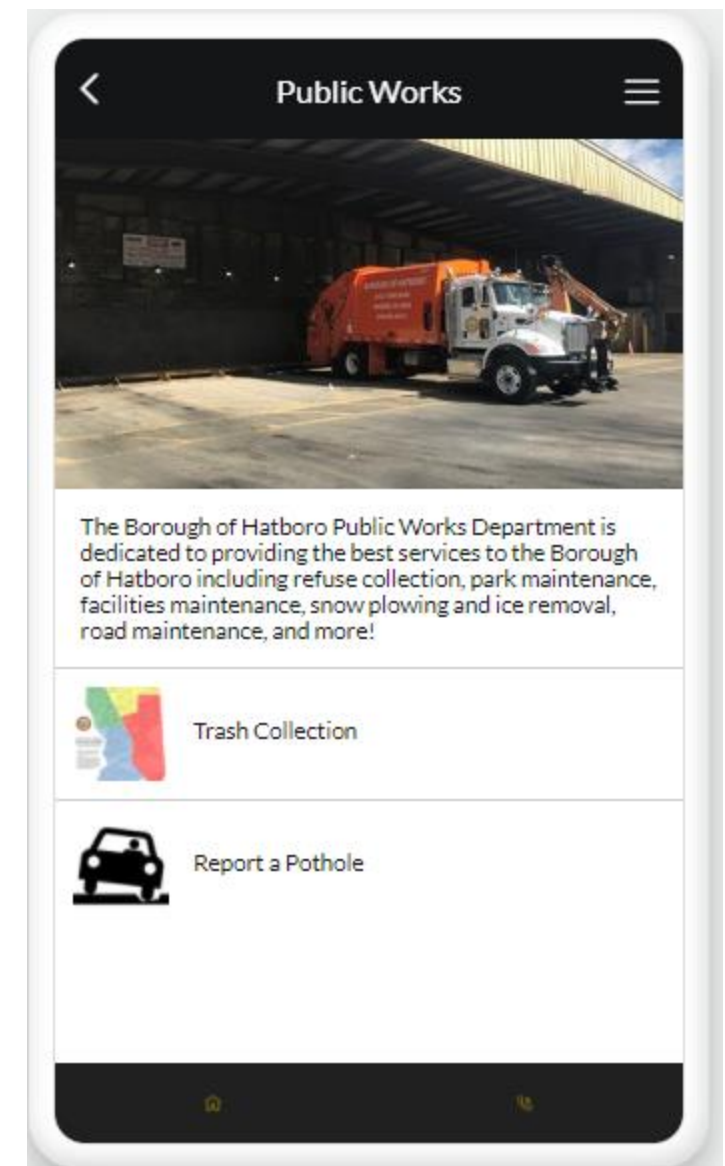

Events Calendar

- Events integrated through a calendar including Borough and business events
- Calendar allows users to save events directly to their own calendar OR get notifications for the event

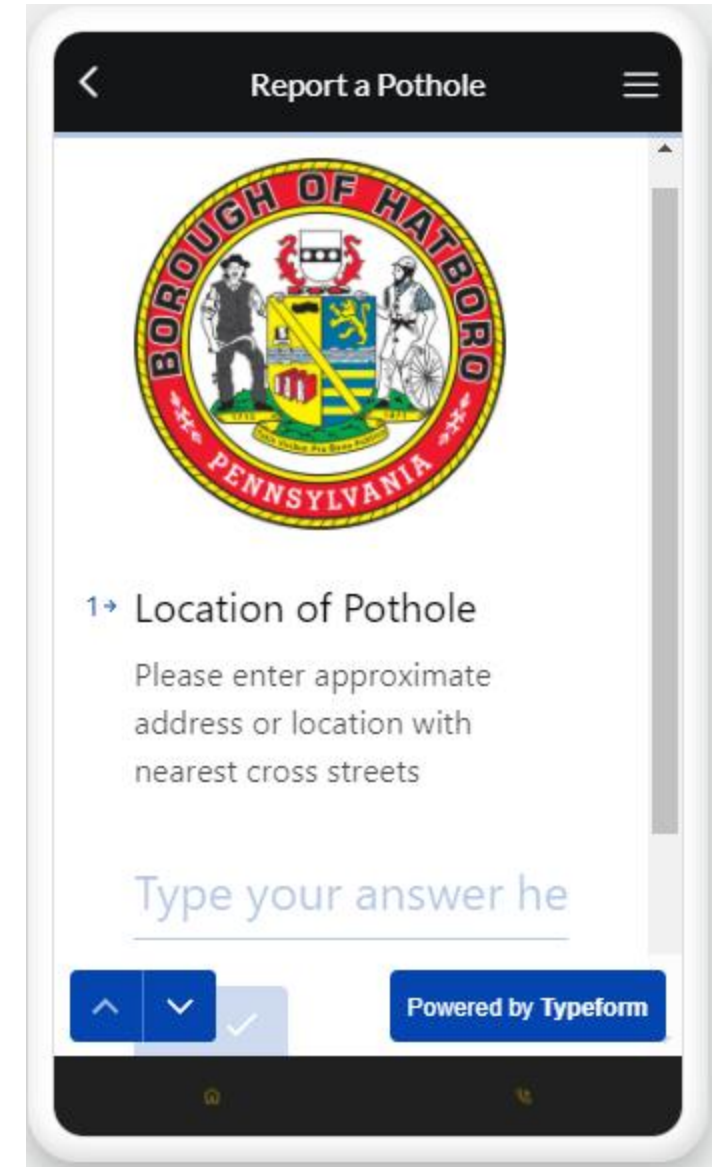

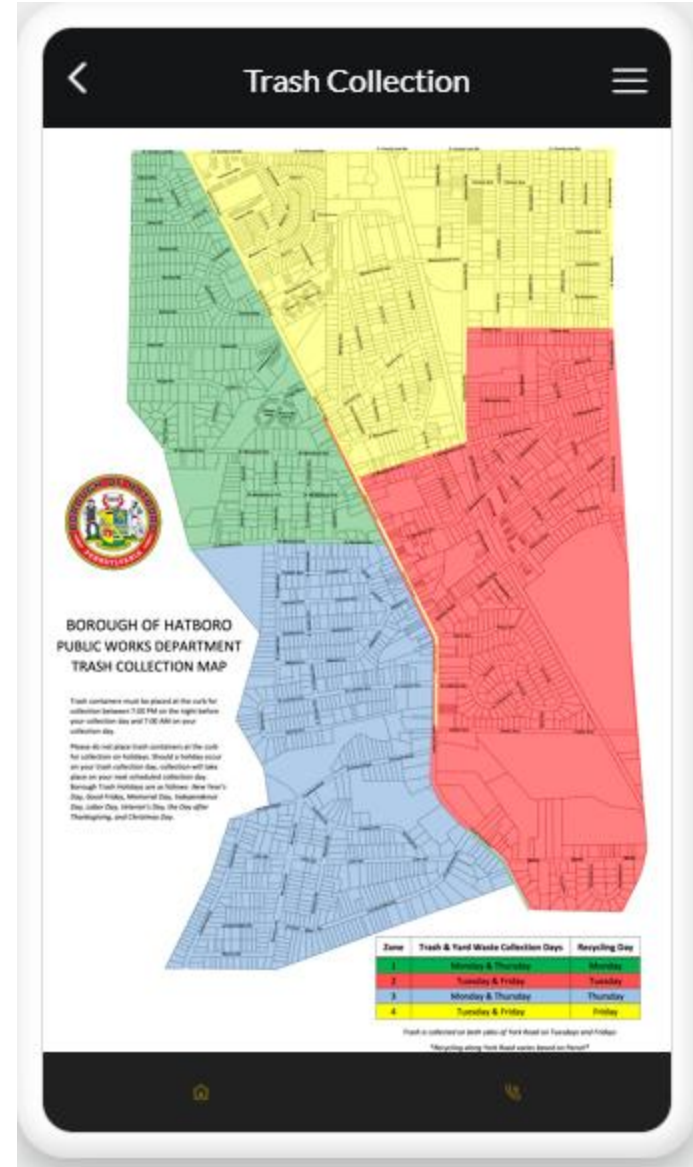

Public Works

- Public Works Page includes interactive Trash/Recycling Map
- Report a Pothole Feature

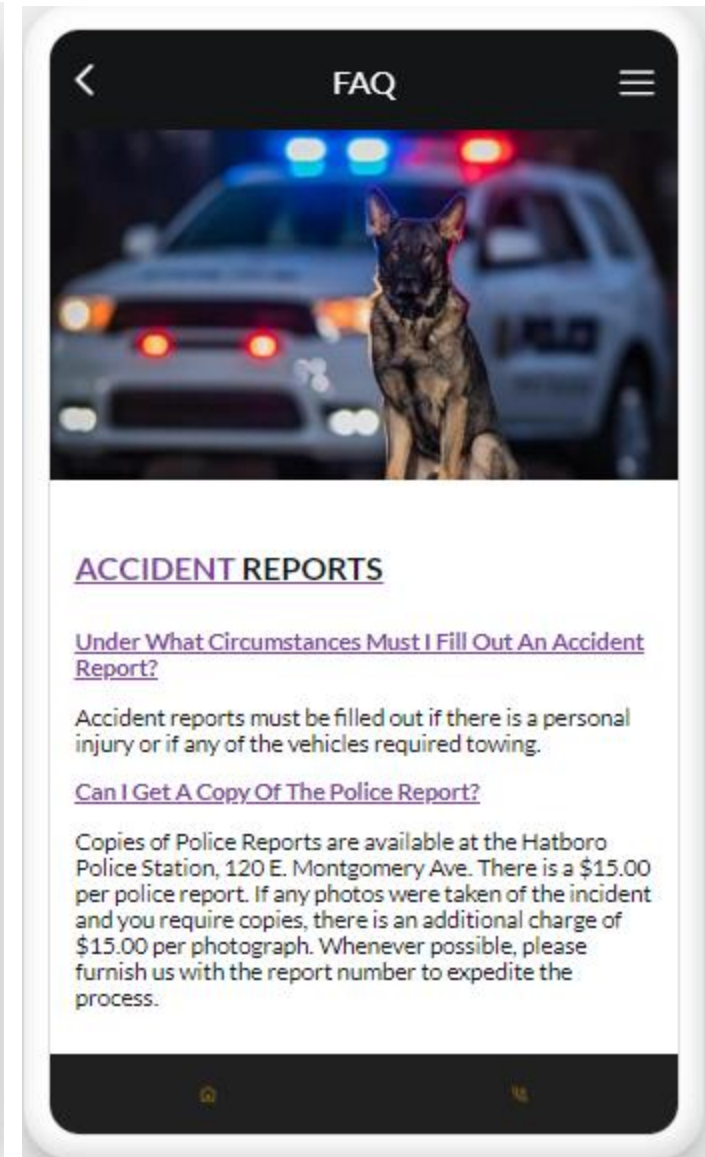

Public Works

- Trash Map allows residents to determine their trash and recycling collection day
- Report a pothole feature allows reports to go directly to public works for investigation

Police Department

- Department Page has information on the Police and contact information for the non-emergency line
- FAQ section on important information (that mirrors website)

Coming Soon...

- Pay for parking (meters and kiosks) through the app
- Pay for bulk pickup through the App
- Business Coupons and Specials
- Memorial Pool/Parks
